10 **Q1. What is your name and present position?**

11 A1. My name is Maury Porter. I am employed by Enbridge, Inc. as Supervisor of Pipeline System
12 Design. I am responsible for the technical team of engineers which leads the hydraulic design
13 development of pipeline systems for Enbridge Major Projects.

14 **Q2. Please provide your educational background and work experience.**

15 A2. I have a Bachelor of Science Degree in Chemical Engineering from the University of Alberta
16 (2004). I am currently enrolled in the University of Alberta, School of Business completing my
17 Masters in Business Administration (MBA). I am a registered Professional Engineering with
18 APEGA.

19 I have worked in the field of pipeline hydraulic modeling and design for the past 7 years, and
20 have been with Enbridge in the System Hydraulic Design Team since January 2007.

21 **Q3. What is the purpose of your appearance in this proceeding?**

22 A3. I have been authorized by Northern Gateway to respond to questions concerning the steady
23 state and transient hydraulic design and analysis that have been completed for the Northern
24 Gateway Project.

25 **Q4. Does this complete your written direct evidence?**

26 A4. Yes.
