

Version 3 Hammond Reef Gold Project EIS/EA – Addendum (Part B)
Responses to Provincial Information Requests

1656263

Identifier	Topic	Reference to EIS/EA Report	Summary of Previous Comment	Proponent's Response to Previous Comment	Follow-up comment/ Request for Information	New Proponent Response	Subsequent Comment
			<i>Date: March 2014</i> EAB Wasterwater-3	<i>Date: June 2015</i>	<i>Date: August 2015</i>		
EAB Wastewater 3B	Water Quality Monitoring	N/A	Evidence of acceptance of all proposed surface water and ground water monitoring programs by the Technical Support Section would have to be provided at the time of application for approval of Sewage Works.	It is acknowledged that the proposed surface water and groundwater monitoring programs will require acceptance by the Ministry's Technical Support Section, Northern Region at the time of application for approval of Sewage Works.	The response is sufficient.	Acknowledged.	N/A
