

Version 3 Hammond Reef Gold Project EIS/EA – Addendum (Part B)
Responses to Provincial Information Requests

1656263

Identifier	Topic	Reference to EIS/EA Report	Summary of Previous Comment	Proponent's Response to Previous Comment	Follow-up comment/ Request for Information	New Proponent Response	Subsequent Comment
			<i>Date: March 2014</i> EAB Wastewater-5	<i>Date: June 2015</i>	<i>Date: Aug 2015</i>		
EAB Wastewater 5B	ECA Application, Consultation	N/A	Proof of continued public and stakeholder consultation and engagement including Aboriginal groups would have to be provided with the application for Sewage Works.	Canadian Malartic plans to continue to engage with the public and Aboriginal communities throughout the life of the Project. Documentation of ongoing communications will be included with the application for Sewage Works.	The response is sufficient.	Acknowledged.	N/A
