

Version 3 Hammond Reef Gold Project EIS/EA – Addendum (Part B)
Responses to Provincial Information Requests

1656263

Identifier	Topic	Reference to EIS/EA Report	Summary of Previous Comment	Proponent's Response to Previous Comment	Follow-up comment/ Request for Information	New Proponent Response	Subsequent Comment
			<i>Date: March 2014</i> EAB Wastewater-7	<i>Date: June 2015</i>	<i>Date: August 2015</i>		
EAB Wastewater 7B	Water quality, legal requirements	N/A	It is noted that agreed on effluent discharge limits and monitoring requirements established with the Ministry do not exempt the applicant from fulfilling their obligations under O. Reg. 560/94 Effluent Monitoring and Effluent Limits – Metal Mining Sector or the federal Metal Mining Effluent Regulation.	It is acknowledged that the Project will be subject to Metal Mining Effluent Regulations.	The response is sufficient.	Acknowledged.	N/A
