# Appendix V

# Model Outputs (ERA)

# (to be provided electronically once final)

# APPENDIX VI-Ecological Risk Assessment Outputs

Appendix VI to the HHERA contains all of the Goliath Gold Project HHERA Model Outputs for the Ecological Risk Assessment (ERA). The following data tables are included in Appendix VI:

| Appendix VI: ERA Outputs<br>Table Number and Description |
|---|
| Table VI-1A Estimated Ecological Exposure Dose: Meadow Vole |
| Table VI-1B Estimated Ecological Risk: Meadow Vole |
| Table VI-2A Estimated Ecological Exposure Dose: Moose |
| Table VI-2B Estimated Ecological Risk: Moose |
| Table VI-3A Estimated Ecological Exposure Dose: Common Shrew |
| Table VI-3B Estimated Ecological Risk: Common Shrew |
| Table VI-4A Estimated Ecological Exposure Dose: Little Brown Myotis |
| Table VI-4B Estimated Ecological Risk: Little Brown Myotis |
| Table VI-5A Estimated Ecological Exposure Dose: Red Fox |
| Table VI-5B Estimated Ecological Risk: Red Fox |
| Table VI-6A Estimated Ecological Exposure Dose: Deer Mouse |
| Table VI-6B Estimated Ecological Risk: Deer Mouse |
| Table VI-7A Estimated Ecological Exposure Dose: Short Tailed Weasel |
| Table VI-7B Estimated Ecological Risk: Short Tailed Weasel |
| Table VI-8A Estimated Ecological Exposure Dose: Ruffed Grouse |
| Table VI-8B Estimated Ecological Risk: Ruffed Grouse |
| Table VI-9A Estimated Ecological Exposure Dose: Mallard Duck |
| Table VI-9B Estimated Ecological Risk: Mallard Duck |
| Table VI-10A Estimated Ecological Exposure Dose: Barn Swallow |

| Appendix VI: ERA Outputs<br>Table Number and Description |
|---|
| Table VI-10B Estimated Ecological Risk: Barn Swallow |
| Table VI-11A Estimated Ecological Exposure Dose: Red-Tailed Hawk |
| Table VI-11B Estimated Ecological Risk: Red-Tailed Hawk |
| Table VI-12A Estimated Ecological Exposure Dose: Bald Eagle |
| Table VI-12B Estimated Ecological Risk: Bald Eagle |
| Table VI-13A Estimated Ecological Exposure Dose: American Robin |
| Table VI-13B Estimated Ecological Risk: American Robin |
| Table VI-14A Estimated Ecological Exposure Dose: Snowshoe Hare |
| Table VI-14B Estimated Ecological Risk: Snowshoe Hare |
