Subject: Pacific NorthWest LNG must be stopped (reference # 80032)

Pacific NorthWest LNG Project
Canadian Environmental Assessment Agency
410-701 West Georgia Street
Vancouver, British Columbia V7Y 1C6

CC: BC Premier Christy Clark
Canadian Natural Resource Minister Jim Carr Canadian Environment and Climate Change Minister
Catherine McKenna MP for Skeena-Bulkley Valley Nathan Cullen

RE: Pacific NorthWest LNG must be stopped!

NO Ms Clark, we don't want your LNG pipeline or terminals on our West Coast.
Get out of Natural Gas and change over to Renewable Energy. You are destroying our fishing habitat,
our beautiful Province & you are not listening to the people and their concerns for a future free of fossil
fuels.
