

VOLUME 1: INTRODUCTION AND PROJECT INFORMATION

TABLE OF CONTENTS

1.0	INTRODUCTION	1-1
1.1	PURPOSE OF THE ENVIRONMENTAL IMPACT STATEMENT	1-1
1.1.1	Guiding Principles	1-2
1.2	ROBERTS BANK TERMINAL 2 PROJECT	1-3
1.3	PROPONENT DESCRIPTION	1-3
1.3.1	Port Metro Vancouver Contact Information	1-4
1.3.2	Port Metro Vancouver Overview	1-4
1.3.2.1	Port 2050	1-5
1.3.2.2	Mandate and Jurisdiction	1-5
1.3.3	Governance and Corporate Structure.....	1-8
1.3.3.1	Insurance and Liability Management	1-8
1.3.3.2	Environmental Policy.....	1-9
1.4	USE OF INFORMATION	1-12
1.5	ORGANISATION OF THE ENVIRONMENTAL IMPACT STATEMENT.....	1-13
2.0	PROJECT OVERVIEW	2-1
2.1	PROJECT PURPOSE AND OBJECTIVES	2-1
2.1.1	Rationale	2-1
2.1.2	Objectives	2-2
2.2	PROJECT CONTEXT.....	2-2
2.2.1	About Containers.....	2-2
2.2.2	Containerised Trade through Port Metro Vancouver	2-4
2.2.3	The Container Supply Chain in Metro Vancouver	2-5
2.2.3.1	The Container Supply Chain	2-5
2.2.3.2	Import Transloading	2-5
2.2.3.3	Export Transloading	2-6
2.2.3.4	Empty Containers.....	2-7
2.2.4	Historic Canadian West Coast Container Traffic Forecasts	2-7
2.2.5	Current Canadian West Coast Container Traffic Forecasts	2-8
2.2.5.1	Macro-Economic Trends in North America	2-9
2.2.5.2	North American Container Port Demand	2-10
2.2.5.3	Competitive Developments at Other Ports.....	2-10
2.2.5.4	Trends in Container Shipping	2-10
2.2.5.5	Competitive Position of Port Metro Vancouver Compared To Other North American Ports.....	2-11
2.2.6	The Container Capacity Improvement Program: Meeting Increasing Demand for Containerised Trade	2-12

2.2.7	Roberts Bank as a Terminal Location	2-14
2.3	PROJECT PLANNING, DEVELOPMENT, AND IMPLEMENTATION	2-15
2.3.1	Project Feasibility Assessment Phase	2-16
2.3.2	Project Definition Phase.....	2-16
2.3.3	Environmental Studies Phase	2-17
2.3.4	Environmental Assessment Phase	2-17
2.3.5	Market and Concession Phase.....	2-18
2.3.6	Construction and Operation Phases	2-18
2.4	PROJECT OPPORTUNITIES AND BENEFITS	2-19
2.4.1	Economic Benefits	2-19
2.4.2	Social and Community Benefits	2-22
2.5	REFERENCES	2-23
3.0	GEOGRAPHICAL SETTING.....	3-1
3.1	ROBERTS BANK OVERVIEW	3-1
3.2	NATURAL ELEMENTS	3-2
3.3	HUMAN ELEMENTS	3-4
3.3.1	Local and Aboriginal Communities.....	3-5
3.3.1.1	Tsawwassen First Nation	3-5
3.3.1.2	Municipalities and Communities.....	3-6
3.3.2	Aboriginal Groups.....	3-7
3.3.3	Land Ownership – Federal and Provincial Lands	3-8
3.4	PROJECTS AND ACTIVITIES CONTRIBUTING TO EXISTING CONDITIONS AND EXPECTED CONDITIONS .	3-9
3.4.1	Projects Contributing to Existing Conditions.....	3-10
3.4.2	Activities Contributing to Existing Conditions	3-10
3.4.3	Projects Contributing to Expected Conditions	3-11
3.5	REFERENCES	3-13
4.0	PROJECT DESCRIPTION	4-1
4.1	PROJECT COMPONENT LOCATION, ORIENTATION, AND AREAS	4-1
4.1.1	Marine Terminal	4-3
4.1.2	Widened Causeway.....	4-3
4.1.3	Expanded Tug Basin	4-3
4.2	PROJECT COMPONENT DETAILS.....	4-4
4.2.1	Marine Terminal	4-4
4.2.1.1	Berth Pocket and Marine Approach Areas.....	4-6
4.2.1.2	Three-berth Wharf Structure.....	4-6
4.2.1.3	Container Storage Yard	4-8
4.2.1.4	Rail Intermodal Yards.....	4-9
4.2.1.5	Infrastructure, Ancillary Systems, and Support Facilities	4-10
4.2.2	Widened Causeway.....	4-13

	4.2.2.1	Causeway Rail Additions and Improvements	4-13
	4.2.2.2	Causeway Road Additions and Improvements	4-14
	4.2.2.3	Causeway Utility Corridor	4-15
	4.2.3	Expanded Tug Basin	4-15
4.3		PROJECT SCHEDULE	4-17
	4.3.1	Construction Phase	4-17
	4.3.2	Operation Phase	4-18
	4.3.3	Decommissioning Phase	4-18
4.4		PROJECT ACTIVITIES	4-19
	4.4.1	Construction-phase Activities	4-19
		4.4.1.1 General	4-19
		4.4.1.2 Land Development Material Balances	4-21
		4.4.1.3 Marine Terminal – Initial Native Soil Densification	4-23
		4.4.1.4 Temporary Barge Ramp Installation	4-23
		4.4.1.5 Intermediate Transfer Pit – Storage of Fraser River Sand	4-24
		4.4.1.6 Intermediate Transfer Pit – Storage of Supplementary Sand Imported from Existing Quarries	4-25
		4.4.1.7 Marine Terminal – Creation of Containment Dykes and General Fill	4-25
		4.4.1.8 Marine Terminal – Dredging at the Dredge Basin	4-26
		4.4.1.9 Marine Terminal – Native Soil Densification and Mattress Construction at Dredge Basin	4-28
		4.4.1.10 Marine Terminal – Land Development and Preloading	4-29
		4.4.1.11 Marine Terminal – Three-berth Wharf Structure	4-30
		4.4.1.12 Marine Terminal – Fill Densification	4-33
		4.4.1.13 Marine Terminal – Development of Infrastructure	4-33
		4.4.1.14 Causeway Widening – Creation of Containment Dykes	4-37
		4.4.1.15 Causeway Widening – Land Development and Preloading	4-38
		4.4.1.16 Causeway Widening – Soil Densification of Containment Dykes	4-38
		4.4.1.17 Causeway Widening – Development of Road, Rail, and Utility Infrastructure	4-38
		4.4.1.18 Tug Basin – Expansion of Existing Tug Basin	4-40
		4.4.1.19 Decommissioning of Temporary Construction Infrastructure	4-41
		4.4.1.20 Compensation Plans and Associated Works	4-42
	4.4.2	Operation-phase Activities	4-42
		4.4.2.1 Container Ship Manoeuvres	4-42
		4.4.2.2 Marine Terminal Operation	4-45
		4.4.2.3 Widened Causeway Operation	4-49
		4.4.2.4 Expanded Tug Basin Operation	4-51

	4.4.2.5	Maintenance Activities.....	4-51
	4.4.2.6	Railway Maintenance	4-53
	4.4.2.7	Roadway Maintenance.....	4-53
4.5	REFERENCES		4-54
5.0	ALTERNATIVE MEANS OF CARRYING OUT THE PROJECT		5-1
5.1	INTRODUCTION.....		5-1
5.2	TECHNICAL AND ECONOMIC FEASIBILITY CRITERIA		5-3
	5.2.1	Technical Feasibility Criteria	5-3
	5.2.2	Economic Feasibility Criteria.....	5-4
5.3	LOCATION OF MARINE TERMINAL WITHIN BRITISH COLUMBIA ALTERNATIVES		5-4
	5.3.1	Increase Capacity and Efficiency of Existing Container Terminals within Port Metro Vancouver Jurisdiction.....	5-5
		5.3.1.1	Deltaport Terminal.....
		5.3.1.2	Centerm.....
		5.3.1.3	Vanterm.....
		5.3.1.4	Fraser Surrey Docks
		5.3.1.5	Combined Increases at Existing Port Metro Vancouver Terminals
	5.3.2	Convert Other Existing Terminals or Properties within Port Metro Vancouver Jurisdiction to Handle Containers	5-8
		5.3.2.1	Lynnterm Conversion
		5.3.2.2	Richmond Properties.....
	5.3.3	Develop a New Container Terminal within Port Metro Vancouver Jurisdiction	5-9
	5.3.4	Other West Coast Container Terminal Plans and Concepts	5-10
		5.3.4.1	Prince Rupert Port Authority.....
	5.3.5	Location of Marine Terminal within British Columbia Alternatives – Summary	5-11
5.4	LOCATION, ORIENTATION, LAYOUT, AND CONFIGURATION ALTERNATIVES		5-11
	5.4.1	Marine Terminal (including Berth Pocket and Marine Approach Areas) ...	5-12
		5.4.1.1	Historical Options
		5.4.1.2	Terminal Location and Orientation
		5.4.1.3	Terminal Optimisation.....
	5.4.2	Causeway	5-15
	5.4.3	Rail and Road Corridors.....	5-16
		5.4.3.1	Intermodal Yard Locations
		5.4.3.2	Project Rail Tie-ins to the Existing Rail Network
		5.4.3.3	Road Corridor
	5.4.4	Tug Basin.....	5-18
		5.4.4.1	Project Marine Terminal Alternative Tug Basin Locations.....

5.4.4.2	Existing Roberts Bank Tug Basin Alternative Locations.....	5-19
5.4.5	Location, Orientation, Layout, and Configuration Alternatives – Summary	5-19
5.5	CONSTRUCTION ALTERNATIVES.....	5-20
5.5.1	Dredging.....	5-21
5.5.1.1	Alternatives to Dredging.....	5-21
5.5.1.2	Alternative Methods for Dredging.....	5-22
5.5.2	Temporary Sand Storage.....	5-22
5.5.2.1	In-river Storage	5-22
5.5.2.2	Inter-causeway Storage	5-23
5.5.3	Construction of Supporting Land (Marine Terminal and Causeway)	5-23
5.5.3.1	Floating Structure.....	5-23
5.5.3.2	Pile and Deck Structure.....	5-23
5.5.3.3	Land Development Using Fill	5-24
5.5.4	Construction of Terminal Three-Berth Wharf.....	5-24
5.5.4.1	Pile and Deck Wharf Structure.....	5-24
5.5.4.2	Caisson Wharf Structure.....	5-24
5.5.5	Disposal of Sediments.....	5-25
5.5.5.1	Creation of Settling Ponds	5-25
5.5.5.2	Disposal at Sea at Sand Heads Location	5-25
5.5.5.3	Disposal at Sea at a Project-specific Location	5-26
5.5.6	Construction of Tug Basin Mooring Wharves	5-26
5.5.7	Construction Alternatives – Summary.....	5-26
5.6	IDENTIFICATION OF THE EFFECTS OF TECHNICALLY AND ECONOMICALLY FEASIBLE ALTERNATIVE MEANS ..	5-27
5.6.1	Effects Criteria for Remaining Alternative Means	5-27
5.6.2	Comparison of Effects of Remaining Alternative Means.....	5-29
5.7	IDENTIFICATION OF THE PREFERRED MEANS	5-37
