Dear Ms. Myles,

Subject: Roberts Bank Terminal 2 (RBT2) Project – Environmental Impact Statement.

Port Metro Vancouver (PMV) is pleased to submit to the Canadian Environmental Assessment Agency the *Roberts Bank Terminal 2 Environmental Impact Statement (EIS)*.

The EIS fulfills the requirements specified in the *Guidelines for the Preparation of an Environmental Impact Statement Pursuant to the Canadian Environmental Assessment Act, 2012 for the Roberts Bank Terminal 2 Project (EIS Guidelines)*, issued by the CEA Agency January 7, 2014.

PMV looks forward to working with the Canadian Environmental Assessment Agency to further advance this project through the next phase of the assessment process.

Please direct any questions regarding this response to Kyle Robertson, our Manager, Environmental Assessment and Permitting of Infrastructure Sustainability, at container.improvement@portmetrovancover.com or by phone at 604-665-9313.

Sincerely,
