

To whom it may concern,

KMC Mining Corporation (KMC) would like kindly request to attend the Grassy Mountain Coal Project Public Hearing tentatively scheduled for October 2020.

Please see our formal response to questions below:

1. a concise statement providing:

a. description of how you would be affected by the carrying out of the Project, or:

KMC wishes to be a part of the hearing, as a listener, to learn more about the Project and understand stakeholder questions and concerns.

b. any relevant information or expertise you possess in relation to the Project, including:

i. the nature of your expertise or knowledge:

KMC is a mining contractor with history providing services to clients in the area. KMC hopes to be a part of this Project through our diverse range of service offerings.

ii. how your participation would assist the Panel; and:

KMC would like to be a listener in the hearing via digital communication tools. Through listening to the proceedings, KMC could offer insight, if required or relevant, to the Panel through our experience and knowledge of contract mining throughout Western Canada.

iii. how you will not repeat or duplicate evidence presented by other parties:

KMC does not wish to present any particular evidence or make a statement but rather listen to stakeholders' first-hand concerns and feedback. If relevant, KMC could answer or provide technical input to Panel through our participation.

2. the nature and scope of your intended participation:

KMC would like to listen to hearing proceedings via digital communication tools. Our participation will allow us further to understand the Project and feedback from affected parties.

3. your contact information; and:

Name: Jared Katerenchuk

Title: Vice President – Operations
