Matthew Dairon  
Impact Assessment Agency of Canada  
Canada Place, Suite 1145 - 9700 Jasper Avenue  
Edmonton, Alberta T5J 4C3

Dear Mr. Dairon:

**Reference: Lake Manitoba and Lake St. Martin Outlet Channels Project Environmental Impact Statement – Letter of Submission**

Manitoba Infrastructure is pleased to submit the Environmental Impact Statement for the proposed Lake Manitoba and Lake St. Martin Outlet Channels Project to meet the conformity requirements and the EIS Guidelines issued by the Impact Assessment Agency of Canada.

The submission package includes the EIS Summary (in both English and French) and the EIS organized into five Volumes:

- Volume 1: Project Description, Justification, Engagement and EA Approach
- Volume 2: Physical Environment Effects Assessment
- Volume 3: Bio-Physical Effects Assessment
- Volume 4: Socio-Economic Effects Assessment
- Volume 5: Conclusions and Other Assessments

If you have any questions, please contact me at Manitoba Infrastructure (204-479-6025; [Christine.Baljko@gov.mb.ca](mailto:Christine.Baljko@gov.mb.ca)) or Scott Johnstone (204-619-3283; [Scott.Johnstone@gov.mb.ca](mailto:Scott.Johnstone@gov.mb.ca)).

Sincerely,  
<original signed by>

Christine Baljko  
Director - Environment & Consultation  
Manitoba Infrastructure
