

**REGIONAL ASSESSMENT OF OFFSHORE OIL AND GAS EXPLORATORY DRILLING EAST OF  
NEWFOUNDLAND AND LABRADOR**

**Request for Participation  
December 2019 – St. John’s, NL and Halifax, NS**

The Regional Assessment Committee wishes to engage the public and Indigenous groups directly in a discussion of some of the draft recommendations in the *Regional Assessment of Offshore Oil and Gas Exploratory Drilling East of Newfoundland and Labrador*. This also will provide an opportunity to explore the evolving Geographic Information System (GIS) decision support tool. These meetings will be interactive, working group sessions, and lunch will be provided. Please note that the format of these sessions is not conducive to tele/video-conference participation.

Please confirm your attendance via email at [iaac.nloffshorestudy-etudeextracotieretnl.aeic@canada.ca](mailto:iaac.nloffshorestudy-etudeextracotieretnl.aeic@canada.ca) by Friday, **November 29, 2019**, indicating which session you will be attending and noting any dietary considerations.

***Please note the same session is being offered both days.***
