Dear Ms. Write:

RE: Withdrawal of Kitimat Liquefied Natural Gas Terminal Project (KLNG Project) Environmental Assessment Certificate (EAC) E06-01 Amendment Application Request

Chevron Canada Limited (**Chevron**), on behalf of KM LNG Operating General Partnership (**KM LNG**), is requesting that its application for an amendment to EAC E06-01, to authorize proposed changes to the KLNG Project, be withdrawn from consideration. Since the Project is being processed under Substitution, we also inform that a similar withdrawal request is being made to the BC Environmental Assessment Office (EAO).

KM LNG would like to thank you and your staff and all organization and individuals that participated in this process.

If you have any questions, please feel free to contact me.

Sincerely,
