Chiara,

Good afternoon.

On behalf of the Proponent and Project Team, please find attached a copy of comments on the DRAFT Tailored Impact Statement Guidelines and associated four plans posted by the Agency and formal submission letter.

We have separated them for ease to upload on the registry; however, if you require a full document, please let us know.

Should you have any questions or concerns on the attached, please do not hesitate in contacting us. We look forward to working with the Agency on the FINAL documents.

Regards,
