Subject: Information Sharing and Discussion - Impact Assessment of the Marten Falls Community Access Road Project

Sensitivity: Normal

Good afternoon,

The Impact Assessment Agency of Canada (the Agency) would like to invite you to an information sharing and discussion session on the impact assessment of the Marten Falls Community Access Road Project (the Project), to be held by WebEx on **Friday December 6, 2019, from 10:00 am to 11:30 am**.

The purpose of this meeting is to solicit your input on the Project in order to inform the Agency's preparation of the draft Tailored Impact Statement Guidelines and draft Public Participation Plan. This is a preliminary WebEx to assist the Agency in its preparation of the draft documents. During the formal comment period, future opportunities would be made available. To review templates for these documents, please visit: <https://www.canada.ca/en/impact-assessment-agency/services/policy-guidance/practitioners-guide-impact-assessment-act.html>

AGENDA
1. Overview of the project (5 mins)
2. Overview of the Tailored Impact Statement Guidelines (TISG) template (5-10 mins)
3. Discussion: Environmental Values – identification of valued components, requirements for baseline data collection and effects assessment and mitigation (10-15 mins)
4. Discussion: Health Values – identification of valued components, requirements for baseline data collection and effects assessment and mitigation (10-15 mins)
5. Discussion: Social Values – identification of valued components, requirements for baseline data collection and effects assessment and mitigation (10-15 mins)
6. Discussion: Economic Values – identification of valued components, requirements for baseline data collection and effects assessment and mitigation (10-15 mins)
7. Overview of the Public Participation Plan template (5 mins)
8. Discussion: objectives and approaches for public participation during the impact assessment (10 mins)
9. Next steps (5 mins)

The Detailed Project Description for the Project and the Agency's Notice of Decision, with Reasons are available on the Canadian Impact Assessment Registry Internet site at <http://iaac.aec.gc.ca/050/evaluations/document/133156?culture=en-CA>.

Please RSVP by Tuesday December 3, 2019, at 3:00 pm by replying to this email. WebEx details and meeting agenda will be sent 24-hours prior to the meeting, to only those that RSVP.
