7	8:25 p.m. – 8:30 p.m.	Next Steps		All

The Impact Assessment Agency of Canada (the Agency) is a federal body accountable to the Minister of Environment and Climate Change. The Agency delivers high-quality impact assessments that contribute to informed decision making on major projects in support of sustainable development. The Agency, through its delivery of impact assessments, serves Canadians by looking at both positive and negative environmental, economic, social, and health impacts of potential projects.
