

Notice of Determination

October 23, 2023 – Transport Canada has determined that the proposed Wharf Removal and Shoreline Reinstatement Project, located in Sydney Harbour, NS is not likely to cause significant adverse environmental effects.

This determination was based on a consideration of the following factors:

- impacts on rights of Indigenous peoples;
- Indigenous knowledge;
- community knowledge;
- comments received from the public; and
- technically and economically feasible mitigation measures.

Mitigation measures taken into account for this determination are available in the Environmental Effects Evaluation and can be obtained upon request.

Transport Canada is satisfied that the carrying out of the project is not likely to cause significant adverse environmental effects.

Therefore, Transport Canada may carry out the project, exercise any power, perform any duty or function, or provide financial assistance to enable the project to be carried out in whole or in part.
