Proposed Pipeline from 10-25-086-10W5M to 13-29-086-09W5M in Loon Lake Reserve No. 235

Assessment Description - The Proposed Project

The proposed pipeline by Spoke Resources Ltd is being constructed from 10-25-086-10W5M to 13-29-086-09W5M in Loon Lake Reserve No. 235. The pipeline route has been chosen to parallel existing pipeline Right-Of-Ways and access road so as to minimize additional timber clearing and environmental impacts. Resource to be transported in the pipeline and associated infrastructure will be oil. Footprint for this project will be 4.03 ha with a width of 15 m and length of 2,430.5 m.
